Potential Outside Interest Activity

- Role with external entity utilizing the same skills/knowledge as your U-M job (e.g., consulting, board member, company officer, other role)
- Ownership in a company/business
- Licensed or optioned intellectual property developed at U-M or elsewhere, regardless of royalty or patent status
- Compensation, loans (not student), or items of value received from external entities
- Travel expenses reimbursed to you or paid by an external entity per PHS regulations or U-M unit policy.

U-M projects, clinical trials, or subcontracts funded via PAF or HUM process are not outside interests.
