Schedule II drugs require a completed DEA Form 222 to be mailed or delivered to the B2 inpatient pharmacy

- To expedite an order, fax a copy of a completed DEA Form 222 with the corresponding invoice prior to mailing or delivering the original DEA Form 222.
- Copies 1 and 2 of DEA Form 222 must remain intact. Do not separate. Copy 3 remove and keep with your records and complete when drug is received.
- A separate invoice must be used for ordering Schedule II controlled substances.

Controlled Substance	Package or Vial Size	Concentration/Strength	Quantity Requested	DEA Schedule II - V	Amount Supplied (Pharmacy Only)

****A valid MCard photo ID must be presented to pick up order and you must be authorized by the PI to pick-up the order ****

Both the Pharmacy and Researcher must retain a copy of the signed invoice for 2 years. Purchased and acquired controlled substances must be reconciled on controlled substance use logs by the requesting researcher registrant. All invoices must be signed, dated, and securely stored for two years.
